Questions

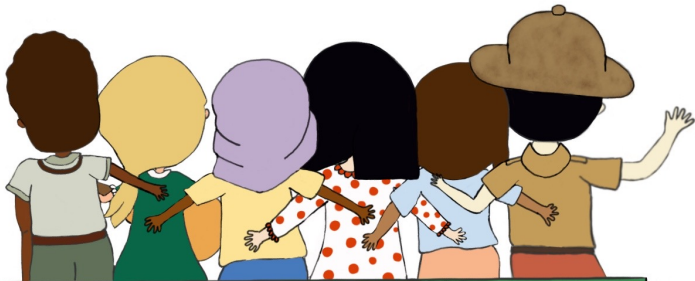

Answers

This educational book for children was inspired by
"Choosing Leadership: A Workbook"
by Linda Ginzel, PhD.

Be Wiser, Younger!
Read, Chat, and Learn with Leadership is...

Which picture resembles leading versus managing? Do you think managing is the sun and leading is the moon? Or the other way around? How do these contrasting pictures help us rethink stereotypes about leaders and managers? This book offers a new perspective for young eyes and helps us imagine what could be. When we ask questions, we can find the answers together!
